Il-lu-minans al- ti- ssimus mi-can-ti-um astrorum globos,
pax, vita, lumen, ve- ri- tas, Iesu, fave pre-can-ti-bus;
seu mystico bap-tis- mate flu-en-ta Iordanis re- tro
conversa quondam ter- ti- o praesente sa- cra-ris di- e;
seu stella partum vir- ginis caelo mi- cans signa- ve- rit,
et hac a- do-ra- tum di- e praese- pe magos du-xe-rit;
vel hy-dri-is plenis aquae vi-ni saporem in-fu- de- ris;
hausit minister con-sci-us, quod ip-se non imple- ve-rat.
aquas co- lo- ra- ri videns, in- e- bri-a- re flu-mi- na,

el'-menta mu- ta- ta stupet transi-re in usus al- te-ros.

sic quinque mi-li- bus virum dum quinque pa-nes di- vi- dis,

e- den-ti- um sub dentibus in o- re cre-sce-bat cibus.

multi-pli- ca- ba- tur magis dis-pen-di-o pa-nis su- o.

quis haec videns mi-ra- bi-tur iuges me-a- tus fon-ti-um?

in-ter manus frangen- ti-um panis ri-ga-tur pro-flu-us;

in- tacta quae non fregerant fragmen-ta sub-repunt viris.

Ie- su ti- bi sit glo- ri- a qui a- pa-ru- i- sti gen-ti-bus,

cum Patre et almo Spi-ri- tu in sem- pi-ter- na sae-cu-la.

| <p>Seu stella parfum Virginis caelo micans signaverit, et hoc adoratum die praesepe rñagos duxerit.</p> | <p>sia che nel giorno odierno consacri con mistico battesimo le fluenti acque del Giordano un tempo rivolte all'indietro per ben tre volte;</p> |
| <p>Seu mystico baptismate fluenta Iordanis retro conversa quondam tertio praesente sacraris die.</p> | <p>sia che con la fulgente stella del cielo tu abbia indicato il luogo del parto della Vergine e abbia oggi guidato i Magi ad adorarti;</p> |
| <p>Vel hydriis plenis aqua vini saporem infuderis, hausit minister conscius quod ipse non impleverat.</p> | <p>oppure tu abbia infuso nelle idrie ricolme d'acqua il sapore del vino; ne bevve il servo consapevole che era stato lui a riempirle.</p> |
| <p>Aquas colorari videns inebriare flumina, transire mutatas stupet undas in usus alteros.</p> | <p>Vedendo che l'acqua si coloriva e che i suoi sorsi suscitavano ebbrezza, si meraviglia che mutati elementi passino ad altri usi.</p> |
| <p>Sic quinque millibus virum dum quinque panes dividunt, edentium sub dentibus in ore crescebat Cibus.</p> | <p>Così mentre dividono cinque pani fra cinque migliaia di persone, nella bocca sotto i denti di quanti mangiavano, il cibo cresceva.</p> |
| <p>Multiplicabatur magis dispendio panis suo; quis haec videns mirabitur iuges meatus fontium?</p> | <p>Il cibo si moltiplicava più di quanto veniva consumato: chi, assistendo a questo prodigio, potrà stupirsi del perenne sgorgare delle fonti.</p> |
| <p>Inter manus frangentium, panis rigatur profluus: intacta, quae non fregerant, fragmenta subrepunt viris.</p> | <p>Il pane passa a profusione fra le mani di coloro che lo spezzano e i frammenti non ancora spezzati scivolano intatti fra le dita degli uomini</p> |
| <p>Iesu, tibi sit gloria, qui apparuisti gentibus, cum Patre et almo Spiritu in sempiterna saecula. Amen.</p> | <p>A te, Gesù, che sei apparso alle genti, sia gloria, con il Padre e il santo Spirito nei secoli eterni. Amen</p> |
